

Gregory S. Pfeuffer, CPA
Senior Manager, Consulting Services
314.862.2070 | gpfeuffer@muellerprost.com

When business owners are serious about growing their business, Greg Pfeuffer assists them in developing a strategy. His clients have come to rely on the expertise he has developed over his 14 years in public accounting.

Greg has been actively engaged in valuations of closely held companies and has provided business plans, operational reviews, cash flow projections, financial strength analysis and forecasted financial statements to a wide variety of clients.

In addition, he serves as the manager for the Research and Experimentation Tax Credit service team and assists companies in establishing documentation procedures that ultimately support their research tax credit claims.

Greg's experience includes a wide variety of customized consulting assignments with a strong emphasis on closely held businesses and professional practices. He has assisted clients in multiple industries, including automotive, construction, electrical contracting, real estate, hardware, pharmacy, computer software, as well as other retail, manufacturing, service and professional business establishments.

Greg is also an active member of the Missouri Society of Certified Public Accountants and other community organizations. He is a graduate of Truman State University with a degree in Accounting.

Mueller Prost PC is a team of CPAs and business advisors headquartered in St. Louis that is **Advising with Vision®** to help clients grow and prosper. As a member of both the PKF North America and PKF International networks (associations of independent CPA firms), our team has the ability to leverage national and global resources when needed to benefit client engagements.

From humble beginnings on a ping-pong table in 1983, the corporation has grown into one of the leading CPA and business advisory firms in the area, operating out of two locations with more than 90 staff members. The firm offers a full range of professional tax, audit, accounting and management advisory services to high-net-worth individuals, entrepreneurs, closely-held businesses, as well as to non-profit organizations and public companies.
